GoToWebinar Housekeeping: What attendees see

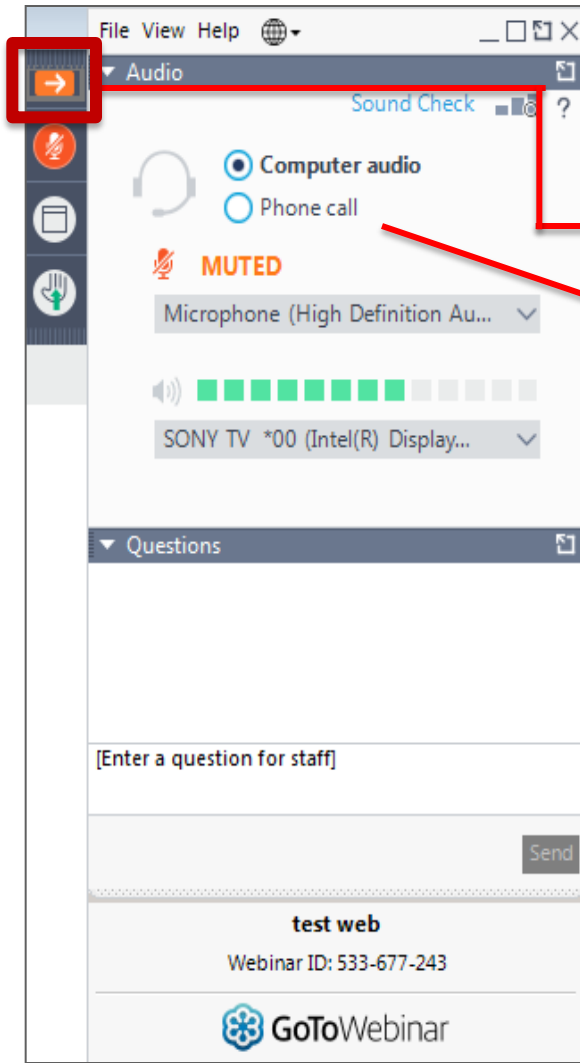

The screenshot shows the GoToWebinar Viewer interface. The main content area displays a list of items attendees will see:

1. What you will see
2. Attendee participation
3. Time for questions

The interface also includes a Citrix logo in the bottom left corner and a right-hand sidebar with the following elements:

- File View Help menu
- Audio section with a Sound Check button and options for Computer audio (selected) and Phone call.
- A MUTED status indicator with a microphone icon.
- Microphone selection dropdown: Microphone (High Definition Au...)
- Volume level indicator with a speaker icon and a green progress bar.
- Speaker selection dropdown: SONY TV *00 (Intel(R) Display...)
- Questions section with a text input field containing "[Enter a question for staff]" and a Send button.
- Webinar title: test web
- Webinar ID: 533-677-243
- GoToWebinar logo and name at the bottom.

GoToWebinar Housekeeping: Attendee participation

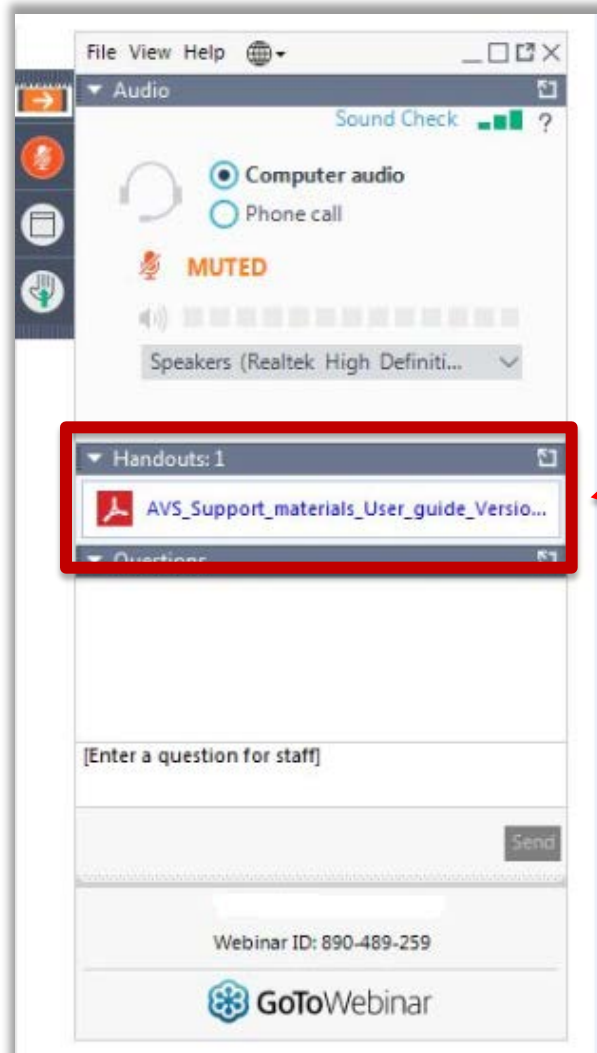

Your Participation

1. Open and hide your control panel
2. Join audio:
 - Choose “Computer audio” to use VoIP (audio over the Internet), **OR**
 - Choose “Phone call” and dial in using the information provided

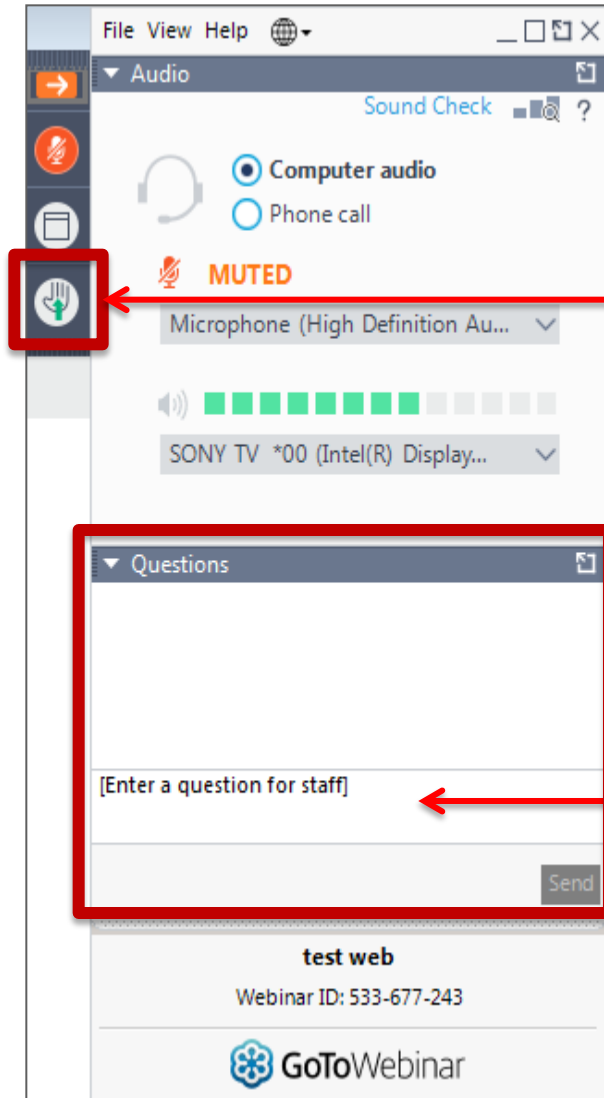

GoToWebinar Housekeeping : Handouts

Your Participation

1. You can download a copy of two fact sheets, the enrolment form and a copy of today's presentation using the Handouts panel.

GoToWebinar Housekeeping: Questions

Your Participation

1. You can ask a verbal question during the Q&A section by raising your hand. We will then unmute your line.

2. You can submit your text questions and comments using the Questions Panel.

AVETMISS release 8.0 development

- October 2015 – surveyed users on AVETMISS
- Most of the changes suggested are in release 8.0
- Changes are reviewed by a reference group (government & peak body representation)

New Standard release – get ready

Release 8.0

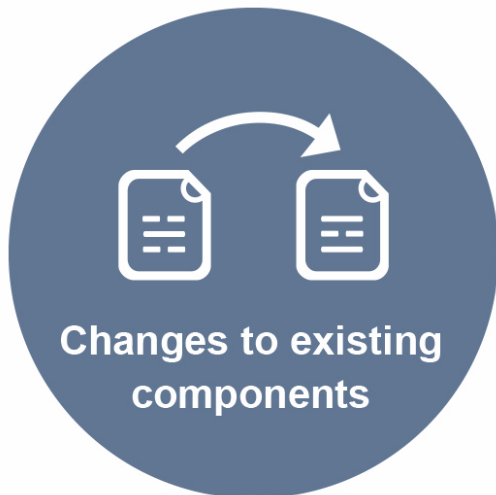

- Comes into effect 1 January 2018

Deleted fields

Training organisation and Program classification information – NAT00010 and NAT00030

- Classification fields that can be sourced from TGA
- Still required when training organisations/ programs are not on TGA, but RTO submits to STA – see 'A file' fact sheet

Deleted fields

Subject file – NAT00060

- *Subject flag*

Client file – NAT00080

- *Proficiency in spoken English identifier*
- *Year highest school level completed*

Added fields

Client file – NAT00080

- *Survey contact status*

Client postal details file – NAT00085

- *Alternative email address*

Training activity file – NAT00120 (file structure only)

- *Training organisation identifier*
- *School type identifier*

Major data element changes

Training activity file – NAT00120

Delivery mode identifier

- Revised classification descriptions (i.e. internal, external, workplace-based)
- 3 character field composed of Y and N where each of the positions indicates a mode of delivery
 - Example: NYY = combination of external and workplace-based

Major data element changes

Program completed file – NAT00130

Date program completed (formerly *Year program completed*)

- Allows the reporting of a full date
- Expanded to an eight character field
- Edits to definition and classification scheme

Classification changes

Outcome identifier – national

85 - Not yet started:

- New classification code for reporting clients who have enrolled but not yet started
- Reporting this activity is not compulsory
- Not used in NCVET reporting or on USI transcripts

41 - Incomplete due to RTO closure:

- New classification code for RTOs who have closed down but still need to report unfinished training activity

Validation changes

Client file - NAT00080

Unique student identifier

- Tighter validation where a submission has large number of blanks
- RTOs are encouraged to obtain and report a USI for all eligible activity on enrolment

USI Unique
Student
Identifier

Enrolment form changes

Personal details

- Renamed *Sex* to *Gender*
- Added *Alternative email address*

Previous qualifications

- Clarification about overseas qualifications

Unique Student Identifier

- Optional section if applying for USIs for students

Disability

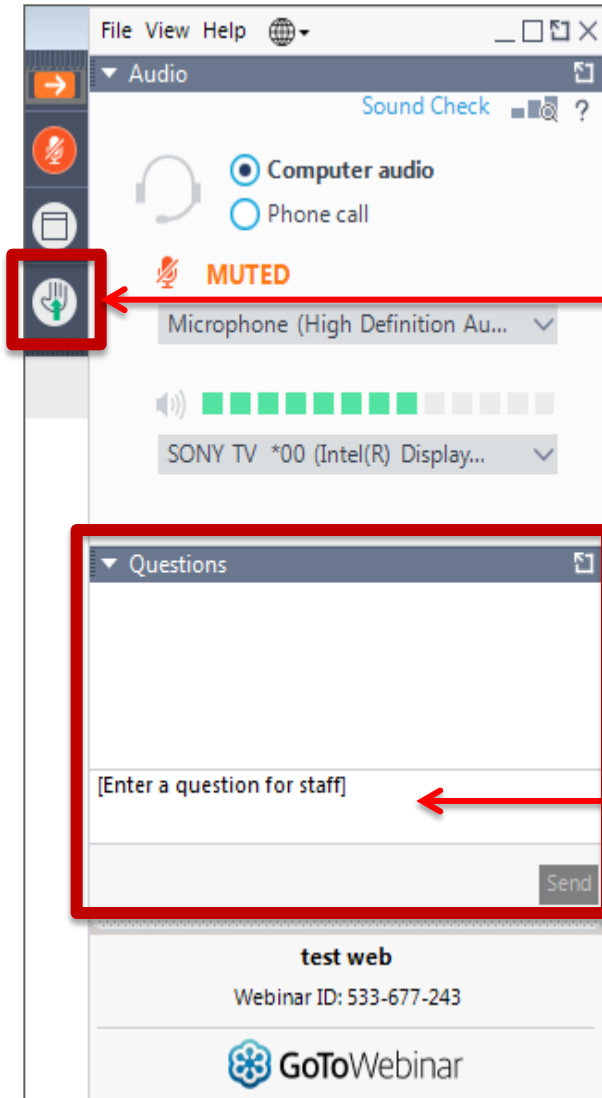

- New supplement for students when enrolling

Client Support

- AVETMISS support for RTOs
- Data support bulletin
- AVETMISS support contact form
 - <https://www.ncver.edu.au/support/support/support-form>
- AVETMISS support email: support@ncver.edu.au
