Dear first_name,

Tell us about your training experiences by completing the Student Outcomes Survey

Our records show you were enrolled in: program_subject_nameinstitute_name. subject_name_readin

This important survey is the only source of national information on students' experiences with vocational education and training. The survey should take you about survey_length to complete.

The survey will open on Monday 5 June 2023.

Complete the survey on a smartphone, tablet or PC by:

1. Scanning the QR code to be taken directly to the survey
2. Visiting www.ncver.edu.au/sos/login and entering your unique login code: recordid

The Social Research Centre is conducting the survey on behalf of the Australian Government Department of Employment and Workplace Relations and the National Centre for Vocational Education Research (NCVER).

We want to hear from all students, even if you didn't complete the training, if your training was only short or if you did your training through your workplace.

Complete your survey early to be entered into ten weekly prize draws for a chance to win a share of \$4,000 in Visa gift cards in each draw, with a total prize pool valued at \$40,000!

All your answers are confidential. Please refer to the privacy notice for more details about your personal information and how it will be managed and protected. The privacy notice, frequently asked questions, and prize draw terms and conditions are available at: www.ncver.edu.au/sos.

Thank you in advance for completing this important survey.
