Title: <First name>, an invitation to complete the 2018 Student Outcomes Survey

Dear <First name>

We would like to invite you to complete an important national survey about the <program level> that you undertook in 2017. Our records show that you were enrolled in the following: <<Qualification name>> from <<Institute name>>.

Ipsos is conducting the survey on behalf of the Australian Government Department of Education and Training and the National Centre for Vocational Education Research (NCVER).

We want to hear from all former international students, even if you are no longer in Australia or if your training was of short duration. Your responses, along with many others, help with understanding how the Australian training system is working for international students.

Complete the survey early for more chances to win! If you complete your survey before midnight Sunday June 10 you will be entered into five fortnightly prize draws to win a share of \$4,000 in pre-paid Eftpos gift cards, with a total prize pool valued at \$20,000.*
